MEMORANDUM FOR CAP RGN/LG and CAP-USAF LR/LG

FROM: CAP/LG and CAP-USAF/LG

SUBJECT: Equipment Annual Inventory (S-3)

1. The annual inventory that is scheduled IAW CAPR 67-1 is postponed indefinitely until the new CAP Asset Tracking System comes online. This action is to prevent multiple inventories from occurring this calendar year. For those units who have already performed the inventory, forward data to the wing logistics officer. The wing logistics officer will hold the data until further guidance is received from NHQ.
2. If you have any questions, please contact K.C. Jones at DSN 493-2945, Comm 334-953-2945, e-mail kjones@capnhq.gov.

A handwritten signature in black ink, reading "Mike Stewart", is positioned above the printed name and title.
